Mosab Ahmad Al-Hiwaihi

IT Project |Technical and Key Account Manager

ŞaudiArabia, Riyadh

+966570700894

eng.it1979@gmail.com

To work with team spirit in an organization where my knowledge of information technology can be utilized in organizational and personal growth. A challenging position in the field of Information Technology that would provide an opportunity for learning and developing skills based on the knowledge of current tools, trends and technologies. I strongly believe in myself to broaden and enhance my unique role as the master of technological environment,

I am looking forward to working as a **Project , Technical or Key Account Manager**
