Dear Hiring Manager,

As a highly motivated and experienced General practice who has worked in a variety of settings, I am excited about the opportunity to join your organization. I am confident that my skills and experience will be an asset to your medical practice.

I completed four years of rotation in Dermatology and Venerology

I have been practicing medicine for the past 8 years and have a broad range of experiences in Dermatology and Venerology and emergency department and in both primary and specialty care.

I am full Registered in Saudi Commission for Health Specialties

I am also proficient in both inpatient and outpatient care, as well as general and preventative medicine. I am trained in the management of acute and chronic illnesses, as well as in geriatrics, pediatrics, and mental health.

I have a strong background in patient education and am committed to providing evidence-based care in a compassionate and collaborative manner.

I am passionate about delivering quality healthcare to the community, and I have a history of working closely with patients to develop treatment plans that are tailored to their unique needs. Additionally, I am an advocate for health promotion activities and patient education to ensure that my patients are well-informed and empowered to make informed healthcare decisions.

I have enclosed my resume for your review and would love the opportunity to discuss how my skills and experiences can benefit your practice. I look forward to hearing from you and thank you for your time and consideration.

Sincerely,

Mohamed Elsharani Mohamed Ahmed
