[AHMED SHAWKY](#)

Objective

To leverage my extensive experience in financial management and supply chain operations in a senior accounting role where I can contribute to driving organizational success, enhancing operational efficiency, and ensuring robust financial controls.

About Me

Dynamic and results-driven Chief Accountant and Supply Chain Executive with over 20 years of comprehensive experience in financial management, accounting, and supply chain operations across multinational organizations. Adept at driving financial performance, implementing ERP systems, ensuring regulatory compliance, and optimizing supply chain processes. Proven track record in leading complex financial audits, streamlining operations, and driving profitability through strategic cost management. Recognized for turning challenging situations into opportunities for sustainable growth.

Education

- Bachelor of Commerce – Accounting
- Cairo University, Giza, Egypt

Experience

- Arab International Construction Company, Jeddah, Saudi Arabia
- Chief Accountant | 2023 – Present
 1. Manage the internal audit process for the supply chain, ensuring accurate documentation and compliance.
 2. Lead enhancements in company-wide data capture from ERP systems to improve business reporting.
 3. Ensure effective internal controls for purchasing processes, mitigating risks.
 4. Oversee VAT, withholding tax, and corporate income tax calculations, ensuring compliance with tax laws.
 5. Prepare and analyze ad-hoc financial reports related to procurement, inventory, and suppliers using ERP systems.
 6. Financial Reporting: Prepared and analyzed financial reports, including balance sheets, income statements, and periodic financial reports, in compliance with IFRS and GAAP standards.
- Al-Jazera Contracting Company, Taif, Saudi Arabia
- Chief Accountant | 2019 – 2023
 1. Supervised financial operations, including auditing supply chain processes and recommending ERP system improvements.
 2. Led year-end closing processes, ensuring accurate financial reporting in line with IFRS standards.
 3. Financial Auditing: Led and executed internal audits to ensure compliance with accounting and administrative standards and the accuracy of financial documentation.
 4. Analyzed financial performance through cost center analysis, providing insights to senior management.
- Hassan Allam Sons, Cairo, Egypt
- Financial Controller | 2017 – 2019
 1. Led cost control activities, ensuring fiscal responsibility and efficient monitoring of revenues and expenditures.
 2. Generated comprehensive financial reports, contributing to strategic decision-making and financial planning.
 3. Managed payment approvals for local, foreign, and government-related transactions, ensuring compliance with regulations.
 4. Budgeting and Final Accounts: Managed the preparation of annual and quarterly budgets, closing of accounts, and ensuring the accuracy of financial reports at the end of the fiscal year.
