PERSONAL SKILLS

- Speed in task completion
- Responsibility
- Planning
- Proficiency in using computers
- Leadership
- Ability to collaborate and work within a team

OBJECTIVE

I am a civil engineer with the ability to supervise engineering projects. I have a comprehensive understanding of the Saudi Building Code and can read structural and architectural plans. I am skilled in fieldwork and proficient in engineering software such as AutoCAD and Revit. I aim to apply what I have learned during my studies to achieve the company's goals and vision.

EDUCATION AND CERTIFICATIONS

- Bachelor's degree in Civil Engineering from Unaizah College of Technology with a GPA of 4.64, awarded with honors, **2022 - 2024**.
- Diploma in Civil and Architectural Technology with a specialization in Civil Construction, **2016 - 2018**.
- Diploma in English Language from LASC Institute, USA.
- Engineering Accreditation Certificate from the Saudi Council of Engineers, Membership Number 855823, **2015 - 2016**.
